The University of Alabama at Birmingham (UAB) hereby requests assistance in soliciting proposals from MBE/WBE/DBE subcontractors and suppliers, for the above referenced project, per the attached listing of construction specialties. In order to be considered, proposals must be received in the Office of the General Contractor(s) on or before the listed date and time.

All subcontractors/suppliers are invited to attend a project pre-bid meeting on July 14, 2009 beginning at 11:30 A.M. Subcontractors/suppliers interested in attending should meet at the Facilities Training Center located at 801C 6th Avenue South. At this meeting, the Project Architect will review the scope of the project. Subcontractors/suppliers will also have the opportunity to meet with all of the General Contractors bidding on the project. Representatives from the Birmingham Construction Industry Authority (BCIA) and UAB Supplier Diversity will also be present to assist firms with the respective registration process.

At the conclusion of this meeting, subcontractors/suppliers will have the opportunity to visit the project site for a walkthrough of the existing facility and proposed addition.

The following listing identifies the major trades of work involved in this project. This list is provided as a reference only. The prime contractors may or may not be accepting bids for each trade referenced.
